The information contained in this document is provided solely for illustration and discussion purposes. It should not be considered investment advice, recommendations to buy or sell shares, or as a specific investment strategy. Under no circumstances should this document be considered or used for the purpose of an offer to purchase units in a fund or any other offer of securities in any jurisdiction. The information is general in nature and is intended to illustrate and present examples relating to the management capabilities of the portfolio manager referenced in this document. All views, comments and opinions are subject to change without notice. The information presented on market conditions and the strategy represents a summary of the portfolio manager's observations with respect to the markets as a whole and its strategy on the date indicated. Forecasts may differ based on management style, objectives, opinions or investment philosophy. No part of this document may be reproduced without prior written permission from the portfolio manager referenced.

The Desjardins Funds are not guaranteed, their value fluctuates frequently and their past performance is not indicative of their future returns. The indicated rates of return are the historical annual compounded total returns as at the date of this document, taking into account changes in the value of securities and the reinvestment of all distributions, and do not consider sales, redemption, distribution or other optional charges or income taxes payable by any security holder that would have reduced returns. Commissions, trailing commissions, management fees and other expenses all may be associated with mutual fund investments. Please read the prospectus before investing. Desjardins Funds are offered by registered dealers.
